Case No. 01-00317

FIRST AMENDED CHAPTER 13 PLAN AND RELATED MOTIONS

This plan is proposed by the debtors. It contains provisions that may significantly affect your rights. It contains matters, which if not objected to, may be accepted by the court as true. Creditors cannot vote on this plan. A creditor who wishes to oppose the plan and related motions may do so by timely filing a written objection. Any objection must be in writing, and must be filed with the court and served upon the debtors, debtors' attorney, and the chapter 13 trustee by the time set by the court for the first meeting of creditors, within five (5) days thereafter, or as otherwise allowed by law. Absent any such objection, the court may confirm this plan, accept the valuations and allegations herein, and grant the motions without further notice or hearing. If a creditor files a timely written objection, that creditor must also appear at the hearing on confirmation of the plan to assert the objection, or it may be denied without further notice or hearing. The provisions of the confirmed plan will bind the debtors and each creditor.

1. PAYMENTS TO TRUSTEE. Such portion of the projected future earnings and income of the debtor as is necessary for the execution of the plan is submitted to the supervision and control of the chapter 13 trustee for the duration of this plan, to wit:

(a) PERIODIC PAYMENTS. Debtor will pay to the trustee for a term, not exceeding 36 months the sum of \$441.67 monthly plus \$8.33 per month for a reserve for post confirmation attorneys fees as further defined below for a total payment to the Trustee of \$450.00 per month for 36 months.

(b) INCOME TAX REFUNDS. (Check One)

☐ Debtors project no income tax refunds during the term of this plan.
As a result, no income tax refunds will be turned over to the trustee; OR

☒ Debtors project income tax refunds during the term of this plan.
During the initial thirty-six (36) months of the plan, the debtors will turn over to the trustee all

15/3/13

income tax refunds. At any time during the term of the plan, debtors shall be entitled to use a tax refund to pay taxes due any other taxing authority; however, the debtors shall remit any tax refund balance to the trustee. Upon the trustee's recommendation or upon notice and hearing, the Court may enter an order entitling the debtors to retain, in whole or in part, income tax refunds owing during the term of the plan to facilitate the terms of this plan or meet the other reasonable or necessary needs of the debtors. **All tax refunds to be applied first to pay the priority claims and after priority claims are paid the remainder to be applied to pay attorneys fees and after all attorneys fees are paid then tax refunds will be applied to general unsecured claims.**

(c) **EARLY PAYOFF.** This plan may not be paid in less than THIRTY-SIX (36) months by debtors without notice to interested parties and an opportunity for hearing before the Court.

(d) **WAGE DEDUCTION ORDER.** Debtors acknowledge that if the debtors are ever more than thirty (30) days delinquent on any payment due under section 1 (a) of this plan, upon request of the trustee a wage deduction order to debtors' employer(s) may immediately issue.

2. **DEFERRAL OF PAYMENTS FOR CAUSE.** The trustee for cause may defer not more than two monthly payments per calendar year without further notice to parties or hearing before the Court.

3. **POST-CONFIRMATION RECOVERY OF PROPERTY.** Debtors elect as follows:

(Chose One)

☐ The trustee shall retain the right, post-confirmation, to recover monies, to recover property and avoid liens pursuant to 11 USC §541, et. seq. Any such recovery or avoidance shall, when liquidated, be disbursed to creditors as additional disposable income, in accordance with 11 USC §1325(b);

OR

☒ The debtors have calculated the right to recover monies, to recover property and avoid liens pursuant to 11 USC §541, et seq. in the plan payment. As a result, the trustee shall not retain such further rights, post-confirmation.

4. DISBURSEMENTS & PLAN TREATMENT BY TRUSTEE. From the payments so received, the trustee shall make disbursements as follows:

(a) PROVISIONS FOR PRIORITY CREDITORS. Full payment of allowed claims entitled to priority under 11 USC §507 in deferred cash payments as follows:

(1) Trustee. Fees to the trustee as provided by 28 USC §586.

(2) Attorney fees:

The Court shall approve attorney's fees and costs in this case in the amount of \$1,000.00, \$500.00 of which has been paid up front by the debtor. The Trustee shall pay the debtor's attorney an additional \$500.00 over the first 7 months in unequal payments all of which shall be approved by the Court as fees earned up to confirmation. The Trustee shall accumulate at the rate of \$8.33 per month and hold in reserves (after payment of the initial attorney's fees) \$300.00. Upon ex-parte application to the court for additional fees accompanied by the Attorney's Affidavit of fees and costs for Post Confirmation work, the Court, in its discretion, may award additional fees and costs up to the \$300.00 reserve, the attorney shall make application to the Court and notice to all creditors and interested parties of a hearing on the matter in open Court. Reserved funds shall be dispersed to unsecured creditors if an application is not made for said fees prior to 90 days before the last plan payment is made.

(3) Maintenance/Child Support. Unless the holder of the claim agrees otherwise, upon confirmation of the plan and the filing of an allowed claim, any allowed unsecured claims of a spouse, former spouse, or child of debtors, for delinquent maintenance or child support shall be paid:

(Check One) ☐ During the initial months of the plan;
 ☐ in equal monthly installments over the term of the plan
 OR
 ☒ not applicable

(4) Taxes. Unless the holder of the claim agrees otherwise, upon confirmation of the plan and the filing of an allowed claim, any allowed unsecured priority claims of governmental units shall be paid:

(Check One) ☐ During the initial ___ months of the plan;

OR

☒ in UNEqual monthly installments over the term of the plan in the discretion of the trustee pursuant to 1(b) above:

(B) PROVISIONS FOR CREDITORS HOLDING SECURED CLAIMS

(1) Modification of rights of holders of secured claims. To each of the following named creditors, the full value of the allowed secured claim held, provided a timely allowed claim is filed. Each creditor holding an allowed secured claim shall retain its lien on the collateral securing that claim until the *allowed secured value* has been paid, at which time the lien shall be released. The *allowed secured value* is defined as the lesser of the amount of a creditor's claim or the market value of the creditor's collateral, as set forth in this plan. The *allowed secured value* shall be amortized at the rate of interest (simple interest, direct reducing), in equal monthly installments over the term of the plan, unless otherwise provided. No pre-confirmation interest shall be paid, unless otherwise provided. Upon payment of the allowed value of the secured claim, the secured creditor's lien shall be released, void of any further effect, including void of any further security interest. Any portion of the debt owed to a creditor in excess of the allowed value of the collateral will be treated in this plan as an unsecured claim. Unless otherwise ordered by the Court, payments shall commence upon filing of an allowable claim and pursuant to the terms of the Order of Confirmation of the plan. The *Projected Total Payments* constitute the debtor's best estimate of the total of all payments made to the secured creditor on the secured portion of such creditor's claims. At the discretion of the trustee, *allowed secured values* of \$500 or less may have payment accelerated.

Secured creditor rights and claims will be modified in accordance with the values and terms provided for herein by debtors. An order valuing the secured portion of a claim, at less than the total amount of the claim, voids the creditor's lien to the extent of the unsecured portion of the claim.

In the event of early payoff the amount to be paid to the secured creditor will be the amount of the allowed secured value plus interest at 9% from date of confirmation less all plan payments.

The debtors hereby **MOVE** the court for an order so fixing the value of the collateral as follows:

Creditor- Collateral description –Allowed Secured Value- Total to be paid the creditor in plan

Americredit Financial	1995 Subaru Impreza	\$7,250.00	\$8,299.80
Payments to begin with third plan payment			

If a secured creditor objects to this provision, debtors will nevertheless ask the Court, at the hearing on confirmation, to confirm the plan over such creditor's objection, pursuant to 11 USC § 1325(a)(5)(B). In the event that any such secured creditor fails to timely file a secured claim, a late filed claim shall be allowed for purposes of distributing payments for the secured portion of its claim. In the event that such creditor's late filed claim has an unsecured portion in its proof of claim, no distribution shall be allowed for the unsecured portion of the claim.

(2) Curing of Default in Long Term Secured Claims. To each of the below named creditors, the debtors do not propose to pay, in full, their allowed secured claim during the term of this Plan. Each creditor shall retain its lien on the collateral securing the claim until the allowed secured claim is paid in full. The debtors will continue the regular monthly contract payments outside of the plan. Each post-petition payment shall be paid by debtors as it comes due. The initial payment shall commence on the first full month following the filing of this bankruptcy by debtors. The periodic payments under this plan, shall be applied by creditor to the earliest payment for which a portion of the payment is due. Payments shall commence upon filing of an allowable claim and pursuant to the terms of the Order of Confirmation of the plan. Unless otherwise provided, the frequency of payments shall be in approximate equal monthly amounts, during the term of the plan. The *Total in Default* provided hereinafter represents the debtors' projection of the total amount necessary to cure the default. In the event that the creditor's allowed claim provides otherwise, the allowed claim shall control. Each such creditor shall further be entitled to receive interest on their claim, as allowed by law. Such interest rate shall be the non-default contract rate of interest provided in the promissory note between each creditor and debtors.
